

SAFEGUARDING POLICY

Commitment to Safety

1. Dr Mbekeani's Science Club (the 'Organisation') works actively to prevent harm and promote the welfare of all children that we interact with (i.e. as Dr Mbekeani's Science Club's clients). This Safeguarding Policy applies to individuals referred to as 'Beneficiaries'.
2. The Organisation is committed to ensuring the safety and well-being of all the Beneficiaries, free from discrimination based on age, disability, race, religion, sexual orientation, gender identity, or any other protected characteristic.
3. This Safeguarding Policy adheres to the latest safeguarding laws of England, Wales, Northern Ireland, and Scotland, including relevant government guidance. If there is any conflict between this Policy and these laws, Dr Mbekeani's Science Club will always prioritise upholding the legal requirements.
4. Dr Mbekeani's Science Club has implemented this Safeguarding Policy in fulfilment of its obligations as an organisation working with children.
5. For questions about this policy, please contact Dr Alison Mbekeani in the first instance, via e-mail dr.aj@mbekeani.com or via phone 07958694199.

Safeguarding Policy Scope

6. This Policy applies to everyone working for or representing Dr Mbekeani's Science Club in the UK, regardless of position, employment type (full-time, part-time, temporary), or affiliation (direct employee, contractor, volunteer, intern; collectively 'Staff Members').
7. This Policy is separate from employment contracts. To ensure its effectiveness, Dr Mbekeani's Science Club may revise the Policy at any time. We will communicate any changes transparently.
8. This Policy outlines Dr Mbekeani's Science Club's approach to harm prevention for its Beneficiaries through Staff Member's conduct and practices.
9. This Safeguarding Policy applies to the organisation and operation of all Dr Mbekeani's Science Club activities that involve children (i.e. Relevant Activities). These primarily include:

- a. Children

Safeguarding Definition

10. The term 'Safeguarding' refers to practices and procedures designed to protect vulnerable individuals from harm or potential harm. It also promotes their overall well-being. Safeguarding is particularly crucial for children and adults at risk, with most legal obligations related to their care. This Policy specifically addresses child safeguarding, defining children as individuals under 18 years old (in England, Wales, and Northern Ireland) or under 16 years old (in Scotland).

11. This Safeguarding Policy outlines Dr Mbekeani's Science Club's commitment to protecting its beneficiaries from harm caused by:

- a. Dr Mbekeani's Science Club activities, practices, and the potential for harm arising from the conduct of its Staff Members, or
- b. People and situations beyond (Dr Mbekeani's Science Club) and its Staff Members' control. This includes instances where Staff Members are aware of, ought to be aware of, or reasonably suspect a situation that poses a safeguarding risk.

12. This policy defines a 'Safeguarding Concern' as any conduct or situation that a Staff Member or someone else suspects might violate the safeguarding commitments above.

How Dr Mbekeani's Science Club Protects Its Beneficiaries: Key Safeguarding Measures

13. Prioritising child safety by following local safeguarding arrangements. These comprehensive plans, developed by local authorities, police, and healthcare providers, offer valuable leadership and guidance to ensure children's well-being.

14. All Staff Members will receive training on identifying and reporting safeguarding concerns. Also, Dr Mbekeani's Science Club encourages them to report any Safeguarding Concerns they identify (set out below under the heading 'Procedures: Reporting').

15. We create a safe, accessible, fair, and efficient space for all Staff Members to raise safeguarding concerns (colleagues, beneficiaries, or anyone else involved). We expect all staff to listen attentively and professionally. Training will equip Staff Members to support those raising concerns and guide them through Dr Mbekeani's Science Club's established

reporting procedures. All reported concerns will be handled by designated individuals and teams following Dr Mbekeani's Science Club's relevant procedures (detailed below under 'Procedures: Investigation and Response').

a. Dr Mbekeani's Science Club has fair and objective procedures to address all safeguarding concerns, even when they involve Staff Members. Allegations are taken seriously, with the severity of the claims considered throughout the process. We are committed to protecting all parties involved. This means we will only presume guilt or publicly criticise people once a thorough investigation is completed.

b. Reports that qualify as protected disclosures under whistleblowing law will be handled with the utmost confidentiality and following all relevant whistleblowing policies law.

16. Dr Alison Mbekeani is designated as the lead for safeguarding policies and procedures within Dr Mbekeani's Science Club.

17. Following appropriate recruitment processes for all new staff members, including volunteers. These processes include:

a. Conducting pre-employment checks following relevant regulations.

b. All new Staff Members must take part in, and understand the content of, all necessary safeguarding training before having any contact with Dr Mbekeani's Science Club's Beneficiaries. This training equips them with the knowledge and skills to keep everyone safe.

c. Following Dr Mbekeani's Science Club's staff recruitment and selection procedures.

18. Every Staff Member should be provided with, and required to undertake, training that is appropriate to their role, responsibilities, and degree and type of contact with Beneficiaries. This should, if appropriate, include training on:

a. Identify and respond to abuse by recognising signs of physical, emotional and sexual abuse, neglect, and exploitation.

b. Learn active listening skills and how to navigate disclosure of safeguarding concerns, including confidentiality.

c. Follow reporting procedures by understanding when and how to report concerns using Dr Mbekeani's Science Club's established procedures.

d. Stay informed by discovering additional resources like policies, documents, and external training to stay up-to-date on safeguarding best practices.

19. Treating all safeguarding information with the utmost confidentiality and security. This involves:

- a. Complying with UK data protection legislation, including The UK General Data Protection Regulation (GDPR) and the Data Protection Act 2018.
- b. Following Dr Mbekeani's Science Club's data protection policies and procedures.
- c. Providing Staff Members with training on data protection and privacy, if appropriate.
- d. Making easy to access Dr Mbekeani, who can be contacted by emailing dr.aj@mbekeani.com or at 07958694199 for Staff Members as an identifiable point of contact for questions or concerns about data protection and privacy.
- e. Sharing safeguarding information internally ONLY on a strict need-to-know basis to ensure the best possible care for the beneficiary involved.

20. Building a safe environment by creating a culture of transparency and awareness to prevent harm. For example:

- a. Encourage open communication by informing beneficiaries about Dr Mbekeani's Science Club's safeguarding procedures and how to report any concerns.
- b. Acknowledge by the Staff Members of safeguarding laws, Dr Mbekeani's Science Club's safeguarding commitments and procedures, and Staff Members' responsibilities concerning these.

21. Regularly reviewing all safeguarding policies and procedures to ensure that they are up-to-date with safeguarding law and that they remain suitable for Dr Mbekeani's Science Club's Relevant Activities and workforce, and meeting any review and evaluation requirements specific to Dr Mbekeani's Science Club's industry and organisation type.

Staff Members' Responsibilities

22. All Staff Members are responsible for promoting the safety and well-being of all of Dr Mbekeani's Science Club's Beneficiaries by following all of Dr Mbekeani's Science Club's policies and procedures relevant to safeguarding and all UK laws relevant to safeguarding. Specifically:

- a. All Staff Members at Dr Mbekeani's Science Club play a role in keeping Beneficiaries safe and every role will be covered in detail during training. In case of doubt, it is important to contact Dr Alison Mbekeani to clarify any aspect of roles and responsibilities.
- b. Encourage all Staff Members to actively participate and ask questions if anything is

unclear to Dr Alison Mbekeani.

c. Do not risk the safety or well-being of any of Dr Mbekeani's Science Club's Beneficiaries by avoiding any of the next situations:

i. Subjecting them to or facilitating abuse of any sort.

ii. Engaging in any sexual activity with children (i.e. anybody under the age of 18).

iii. Participating in or facilitating any activities that may commercially exploit Beneficiaries. For example, failing to report suspected child labour or trafficking.

d. Staff Members must report all Safeguarding Concerns that they have regarding Beneficiaries' safety, regardless of whether the concerns relate to potential wrongdoing of other Staff Members, other Beneficiaries, or external parties (e.g. parents, teachers, other organisations, or members of the public).

Procedures: Reporting

23. To ensure the safety of Dr Mbekeani's Science Club Beneficiaries, Staff Members will be trained to recognise potential safeguarding concerns like abuse, neglect, and threats to well-being.

24. Staff Members who identify a safeguarding concern should report it following the next steps:

a. Contact Dr Mbekeani or local Authority.

25. Staff Members unable to follow the standard reporting steps should still report the concern in another alternative way. This may be the case if, for example:

a. Contacting someone potentially involved in the concern, or someone the Staff Member feels uncomfortable approaching, or

b. In emergencies involving a risk of serious harm, contact emergency services (e.g. police, ambulance, mental health crisis line) directly, or, if appropriate, report the concern to a senior member of Dr Mbekeani's Science Club's staff.

Procedures: Investigation and Response

26. All Reported Safeguarding Concerns at Dr Mbekeani's Science Club are treated seriously and addressed promptly by trained personnel following the established procedures and relevant laws. For more details about these procedures, please contact Dr Alison Mbekeani.

27. We aim to keep Staff Members who report a Safeguarding Concern informed about its progress as much as possible, depending on the nature of the concern and the confidentiality of the investigations.

28. In case of breach of this Safeguarding Policy or safeguarding law in general by a Staff Member, they will be treated fairly and will only be dismissed if appropriate in the circumstances and in accordance with employment law.

29. External referrals or notifications (e.g. to police services, local authorities, or regulatory bodies) will only be made when deemed necessary and strictly following applicable laws, including data protection regulations, to ensure the safety and well-being of Beneficiaries.
